Liz,

Our office is fine with the language of the PA, however, upon review of the maps we have several concerns. I spoke with Faith and the APE for Makalapa is definitely wrong. Also, I agree with Kiersten that the extensions need to be taken off the maps and the maps need to be relabeled to correspond to the PA.

The other caveat is the new chair (SHPO) may have his own concerns after reading it.

I apologize, have been in court all week and unable to respond.

In my previous email I intended to say that FTA has received comments on the PA from the National Trust, AIA Honolulu, the ACHP and the Historic Hawaii Foundation. If we have not received your comments, please try to send them today.

Thank you.

Please see attached comments FTA received from AIA Honolulu and written testimony on the Navy's request to become a signatory on the PA.

I would like to thank you for taking the time to put together detailed comments and suggestions on the PA and the Section 106 process. We are taking a hard look at all comments and plan to incorporate suggestions where we can and respond to other comments and suggestions in writing to you, the consulting parties. Once we assess the scope and breadth of the comments and changes that we would like to propose incorporating to the other signatories, we will be in touch on next steps.

Thank you.
